

2026 Global Glimpse Packing List

Your Global Glimpse trip is coming up, let's make sure you're ready! Please carefully read the packing list(s) below. To stay organized, you can check off the items as you pack. Remember to pack light and bring only what you will use (*see pg. 6 - 7 for airline baggage information*).

Every location is slightly different in climate and geography. The weather can be hot and humid in most of our locations but can be cooler in others. As such, we have provided both a **General Packing List** as well as **Country-Specific Tips** down below.

Pro tips to keep in mind as you review this packing list:

- 1. The purpose of this packing list is for you to utilize items you already own. The vast majority of students should already have clothes that are acceptable for the GG trip. If you feel you need to acquire items on this list, consider checking out thrift shops for affordable options.*
- 2. Leave a little extra space in your bags. You never know what you might bring home!*

DRESS CODE POLICY

Dress and attire are a form of self-expression and we want our students to be able to express themselves and be individuals. On your trip, different attire will be appropriate for different environments (e.g., hiking, attending a cultural event, speakers, working on your community action project, and/or lounging at your accommodation). The dress code is, therefore, delegation and situation dependent.

During your trip, the dress code can vary by day and event. *At all times:*

- Clothing should not be offensive to other members of the GG community and the country you are visiting.
- Clothing that degrades religion, race, or sexuality is prohibited.
- Clothing that promotes drug use or uses offensive language is not allowed during your trip.
- Students should not wear clothes that reveal undergarments.
- Students who violate the above dress code may not be allowed to participate.

CLOTHING

BOTTOMS

☐ **5 - 6 pants**

Pants should be worn when meeting guest speakers. Leggings are okay for hikes as long as it is paired with a long shirt or gym shorts.

- *Ripped pants are not allowed*

☐ **1 dress pant or business casual skirt/dress RECOMMENDED (but not mandatory)**

These business casual outfits can be used for Community Action Project presentations or other more formal events. Knees and shoulders must be covered.

☐ **2 - 4 shorts**

Shorts may NOT be shorter than the tip of the fingers when arms are placed straight at the sides of the body. Short styles that are NOT ALLOWED on the trip include:

- *"Short" shorts*
- *Ripped shorts*
- *Gym shorts should ONLY be used for lounging at the accommodations or the beach*

SHIRTS AND TOPS

☐ **7 - 8 short sleeve shirts**

Tank tops should only be worn in the accommodations, for hiking or outdoor purposes. No tank tops should be worn to any other activities including but not limited to certain field trips, and with guest speakers.

Shirts with spaghetti straps, low-cut shirts, backless tops, ripped shirts, shirts that show your undergarments, and crop tops that expose your mid-section are not allowed.

☐ **3 - 4 lightweight long-sleeve shirts**

Very important for preventing mosquito bites and chilly nights.

☐ **1 sweatshirt, fleece, or windbreaker**

Depending on the site you visit, the nights may get chilly and you could experience some rainy days.

SHOES/FOOTWEAR

Shoes worn outside must be closed-toed, students are not allowed to wear open-toed shoes outside their accommodations. Bring shoes that don't mind getting dirty, you will wear them every day through rain, mud, and dust.

☐ **1 - 2 pairs of supportive sneakers and/or running shoes**

We recommend closed toe shoes with good traction for hiking and outdoor purposes. You may bring an extra pair of more formal shoes for CAP presentations or the closing dinner (loafers and/or small wedges or flats). Make sure these are comfortable and you can use this pair in case your main shoes get wet and need to dry.

☐ **1 pair of flip-flops or sandals**

Flip flops or sandals are not recommended for daily activities, but you may want them at the accommodation.

OTHER CLOTHING ITEMS

☐ **8 - 10 pairs of socks**

☐ **Underclothing for 11 days**

☐ **1 pajama**

☐ **1 sturdy swimsuit**

Not all programs include water activities. Two pieces are okay, ideally a sports bra top and bathing shorts. NO string bikinis allowed. Swim trunks are recommended, please do not bring speedos.

☐ **1 travel outfit**

We recommend setting aside one set of clothing that is clean and comfortable for your final travel day and packing it in your carry-on.

☐ **1-2 sets of "working" clothes for the Community Action Project**

We recommend bringing some clothing that you don't mind getting dirty when working on the Community Action Project.

ACCESSORIES & MISCELLANEOUS

☐ **1 small backpack for daily use **(required)***

☐ **1 reusable water bottle **(required)***

☐ **1 raincoat or umbrella**

A foldable umbrella, sturdy rain jacket, or poncho. Summer is the rainy season in most of Latin America and may get very wet.

- ☐ **Hat + sunglasses**
- ☐ **Travel bath towel**
- ☐ **Flashlight**
- ☐ **Phone & charger**
- ☐ **Journal/pen or pencil**
- ☐ **Wristwatch/alarm clock**

Important to have when you are the leader of the day. You will be in charge of waking all students up and keeping the group on schedule.

- ☐ **A bag to put your dirty/used clothes in**

Garbage bags work!

- ☐ **Earplugs**

For light sleepers.

- ☐ **Prescription medication**

Please pack half of your medication in your carry-on and the other half in your checked baggage. Please also pack more medication than you will need for the duration of the trip to be safe. Lastly, please also bring a printed or digital copy of the prescription itself in case your medication is lost and you need it urgently.

**Please bring 2 inhalers for asthma so you have a backup! Please pack an Epi-pen if you have an allergy that may require one in an emergency!*

- ☐ **Anti-nausea medication (e.g. Dramamine)**

*Some of the roads on our program are **very** winding!*

- ☐ **Prescription glasses or contact lenses**
- ☐ **1-5 Face Masks recommended but not required**
- ☐ **Hand Sanitizer or antiseptic wipes for daily use**
- ☐ **Snacks**

These can be fun to share with your new roommates and friends or simply to remind you of home. Non-perishable snacks are best.

BASIC TOILETRIES

- ☐ **Toothbrush & travel-size toothpaste**
- ☐ **Floss**
- ☐ **Travel-size deodorant**
- ☐ **Travel-size shampoo & conditioner**
- ☐ **Travel-size body wash**
- ☐ **Menstrual products**

- ☐ **Travel-size daily body lotion + face lotion**
- ☐ **Travel-size sunscreen**
- ☐ **Lip balm/chapstick**
- ☐ **Mosquito repellent**

Mosquito repellent note: The CDC recommends the use of products containing DEET as the active ingredient for the best protection against mosquitoes. If you have sensitive skin, please consult with your doctor. You will likely need to use this daily. Another option is Permethrin-treated clothing and gear.

IMPORTANT DOCUMENTS

- ☐ **Original passport** (and Green Card or Visa if applicable)
- ☐ **Money (cash)**

For spending on souvenirs while traveling, etc. We recommend \$100-\$200 US Currency in small bills (\$5, \$10 bills).

- ☐ **Debit/Credit Card/Apple Pay**

Please remember that you are responsible for your debit/credit cards.

ITEMS WE HIGHLY DISCOURAGE

- ☐ **Flashy jewelry**
- ☐ **Valuable or irreplaceable possessions**
- ☐ **Other unnecessary documents**

For example, social security cards, birth certificates, etc.

BAGGAGE INFORMATION

We recommend students bring 2 bags total (e.g., 1 checked suitcase and 1 carry-on sized bag or backpack. *Do not bring a 2nd suitcase!*). Remember that students will be responsible for carrying and transporting their own luggage.

CHECKED LUGGAGE

Students are allowed 1 checked bag for free. Your luggage must be under 50 pounds and be within the size restrictions. You can review the [United Airlines Baggage Allowance Here](#). If your luggage is overweight, *students are responsible for the fee.*

CARRY-ON RULES

We recommend each student pack a change of basic clothes, prescription medication, and small toiletries in their carry-on in the rare occurrence that checked luggage is lost or delayed.

TSA 3-1-1 RULE FOR CARRY-ONS: Liquids, gels, aerosols, creams, and pastes must be 3.4 ounces (100ml) or less per container; must be in 1 quart-sized, clear, plastic, zip-lock bag; 1 bag per carry on bag. If you do not follow these rules you run the risk of the item(s) being taken away by airport security. Please review the regulations on the TSA site for the most updated information on liquids: <https://www.tsa.gov/travel/security-screening/liquids-rule>. Larger items of liquids, gels, creams, and aerosols should be packed in your checked bag.

COUNTRY-SPECIFIC TIPS

In addition to the general packing list above, please take time to also carefully review the information below to ensure you are properly prepared for your specific site:

DOMINICAN REPUBLIC - CONSTANZA & JARABACOA

- ☐ **Lighter clothing for hot & humid weather + lightweight layers and sweater**
Constanza and Jarabacoa are warm destinations but can be a little cooler in the evenings. Daytime temperatures can reach the 80s in Jarabacoa and Constanza. Participants should bring lightweight, breathable layers expecting warm weather the majority of the time.
- ☐ **A sweater or light jacket for the evenings**
Temperatures can cool down often at night so be prepared with a sweater or light jacket.
- ☐ **An outfit to get dirty during CAP**
Many Community Action Projects will be physically demanding or work with materials (paint, glue, cement) that may get all over clothes so having clothes for these days you don't mind getting really dirty is recommended.
- ☐ **All tourists entering the country are required to complete an online health form called an "E-Ticket" before arrival.** Complete this the week before your trip. Please bring a printed copy of your e-ticket. <https://eticket.migracion.gob.do/>

COSTA RICA - TURRIALBA

- ☐ **Lighter clothing for hot & humid weather**

The humidity at these sites can be quite high in the daytime, making the weather feel a lot warmer than the temperature indicates. Bring some lighter clothing such as tops that allow for good airflow and a couple more shorts or lightweight pants for less formal days.

☐ **A sweater and/or light jacket**

Temperatures can cool down (mid-60s), especially at night, so be prepared with a sweater and/or light jacket.

☐ **Water shoes or shoes that will get wet while hiking**

Many delegations will be hiking along a river so it is recommended to bring shoes you don't mind getting wet, preferably ones that dry quickly or even inexpensive water shoes.

☐ **Business casual outfit (mentioned above) will not be used for CAP presentation**

You can still bring a business casual outfit but you will be less likely to use it than to other countries.

PANAMA - CHITRÉ & LAS TABLAS

☐ **Lighter clothing for hot & humid weather**

The weather in Panama is tropical, which means it's often hot and humid. The summer is also their rainy season, however, so you'll likely see some rain.

☐ **A sweater or light jacket for the evenings**

Temperatures can cool down often at night so be prepared with a sweater or light jacket.

☐ **For Las Tablas Delegations ONLY**

Community Action Projects are likely going to be doing reforestation in mangrove forests so a hat and boots (or sturdy shoes) are recommended.

GLOBAL GLIMPSE EMERGENCY NUMBER

→ (510) 550-2899

**Parents/guardians, please use this number only in genuine emergencies when your student is in the country this summer. For all other communications, please write your student's regional manager or info@globalglimpse.org.*
